Professional Experience

KOMU 8 News, Mid-Missouri's NBC Affiliate

August 2016-Present

Producer

- Wrote and gathered international, national and hyperlocal news stories for use during our newscasts and on our website.
- Communicated with executive producers and reporters to produce the most creative and engaging final product.
- Used iNews to stack, organize and plan show content.
- Coordinated and delegated work to production assistants.
- Wrote content for the web and updated social media and other web posts.

News and Sports Anchor

- Conversationally delivered both news and sports content to over 150,000 mid-Missouri households.
- Presented stories in an exciting, informative and professional manner.
- Wrote breaking news and sports stories for the web and for our newscasts.

Mizzou Athletics Broadcast Operations

August 2015-Present

Graphics Operator

- Organized and built graphics with accurate game statistics, notes and facts for use on SEC Network+ broadcasts and video boards.
- Well-versed in the use of XPression software.

Stage Manager/Time Out Coordinator

- Acted as a liaison between on-air talent and those in our remote control room.
- Provided cues for graphics, breaks and promotional material on the ESPN Family of Networks.
- Communicated break times to game officials.
